Ecology Takes Flight
The Audubon Florida collections at University of South Florida Libraries

Andy Huse, Associate Librarian, ahuse@usf.edu
Dr. Amanda Boczar, Operations Manager, amandaboczar@usf.edu
USF Libraries – Tampa Special Collections
Current Goals

• As a strategic initiative, FLENH will:
  • Network researchers
  • Provide Multiple Access Points
  • Contribute to advancing the knowledge of Florida’s Environment and Natural History

Data & Access
Digitization & Metadata

Dr. John C. Ogden

Why ArcGIS? – Mapping

All Across Florida

Our collections come from sanctuaries, worksites, farms, and offices across the state of Florida, and they continue to grow!

Where is FLENH from?

Lorida Center, Audubon Florida
33104 NW 192nd Ave, Okeechobee, Florida, 34972
